148. MID TO LONG-TERM FINANCIAL PLANNING -
Following the last Committee meeting it was agreed to hold a meeting in August to enable the Committee to review the outline plans for the Council's financial commitments for the future. Following a lengthy discussion, the Chair Cllr M Staton proposed that items would fall under a mid-term 2-5 year plan and items exceeding this time frame would fall into the Council's long-term plan. R Parker will collate the proposals and the actions for each and ensure agenda items follow on the relevant Committee for review.

There being no further business the meeting was brought to a close.
