RESOLVED ITEMS

513. UPDATE ON OPEN SPACES PROJECTS

The Chair reported that works had commenced on the Bowling Pavilion and Football Changing Rooms, and that contractors would be on site at the Tean Road Recreation Ground. It was discussed as to whether it was appropriate to request quotes for the car park on the Tean Road Recreation Ground, however it was felt appropriate to prepare a specification and drawings before sending these to prospective contractors.

The Clerk reported that he had written to the Cheadle Rotary Club in respect of the small Bowling Pavilion, and that they had requested a breakdown of costs before they consider making a donation to repairs.

A discussion took place in respect of the wooden boarding around the bowling greens, which had been identified as being in need of repair. It was agreed that the Clerk would look at some costs for this, and consider both plastic and wooden boarding. The Clerk confirmed that he would also contact Bowls England to ensure any regulations that may be in place for bowling green surrounds and materials.

Members discussed the pitch rolling for the Tean Road Recreation Ground football pitch, and the Clerk confirmed that he had approached Lex Leisure (Leisure Centre) and that they would provide a quote for these works.

ITEMS CONSIDERED UNDER RECOMMENDATION TO FULL COUNCIL
